

**Certificate  
Inspection of welding process  
according to EN ISO 3834**

**SGS**

SGS-3834-2-PL-25-01-2022-0132

It is hereby certified:

**Firma Reklamowa Emo Neon Sp. J. J.Żurawski, T. Morawiec, M.Krawczyk  
ul. Kucelińska 38/40, 42-202 Częstochowa  
Poland**

**complies with the requirements for the performance of welding works in terms of:**

EN ISO 3834-2 - Quality requirements for fusion welding of metallic materials;  
Part 2: Comprehensive quality requirements

**Scope of assessment:**

The scope of the assessment, as well as all other details  
are included in the annex to the certificate  
and audit report.

**Audit report no.**  
SGS—132/2022

**The evaluation was based on:**  
Certification program SGSP/INDIV/3834-01

Validity Period: from 12.11.2022 to 11.11.2025

This certificate was first issued on 18.11.2022  
and remains valid as long as the welding supervision personnel and manufacturing  
processes have not changed significantly and provided that it is not suspended  
or withdrawn by the certification body.

1st edition dated 18.11.2022
